

Hello HOG Family,

Some of the chapter officers and their families went on a gorgeous ride yesterday Luckenbach, Texas. Just wish it didn't cost \$35/person to get in. We spent about an hour there for free and decided to hit the road again. It was a wonderful day, thanks PJ, Chris and Diane, Wayne and Kim and Sergio! It was a great day with friends and family. Once back from Luckenbach we stopped at Hills and Dales to refresh with a beverage or two and then had steaks, corn on the cob, stuffed jalapeno's, shrimp and awesome homemade cream cheese sopapilla's thanks to Kim Steele.

Don't forget, PUSH PUSH PUSH those tickets for the bike raffle. We still have some work to do, and we need to do it pretty quickly! If you could, please make every effort to sell your tickets now. The raffle is not far away and we still need to get some tickets sold. Please see Rudy Hernandez or any of the chapter officers with turning in tickets sold and money. We really, really need your help! Your help will go a long way in helping setup for the Christmas party, (last year was AWESOME) so please give us a hand with tickets.

On to some events for the upcoming month:
