

Hail and Well Met!!

It looked like mother nature might get us again this past Saturday but we forged on and 11 bikes later, the sun came out and we had a beautiful ride and a great day. The food at Lunker's was first rate and the Sahawe performance was very nice. Gary and Lavar took lots of pictures and some video so be sure to check them out on the chapter website.

I want to take a moment and thank you for completing the survey. The responses will be very helpful in planning future events and rides. I will be discussing the results at the next Chapter Social and with the Road Captains at our meeting on Saturday. Also I will be working on finding locations for the "Meet and Eat" and "Birthday Gatherings" as they were overwhelmingly voted as must do's.

If you checked out BBQ Plate fundraiser tickets please bring any money and tickets you have left to the Chapter Social on Thursday. We need to get a head count so we can purchase the food.
