

Hail and Well Met!

A little overdue with this Caliente Gram and a lot to cover without getting too long winded. Due to personal reasons, Sergio has resigned as the Chapter Secretary. Maria Robles will be replacing him to help me out. So look for her to send the grams in the future.

I want to say thank you to all the folks that helped with the Brisket Plate sale or provided items such as beans or rice. Your service was much appreciated. Just one example of the dedication and commitment of our members was Craig Howell. He spent 6 plus hours serving food with just a small break to eat. Keeping leading the charge Chief! It was a job well done to all those who participated. When all was said and done, we raised over \$500 for chapter and charity.

This past weekend we had two rides. A breakfast ride and the years first LOH ride. There was a good turnout for both rides. The weather is getting better and let the riding begin. We had a booth at the STXM motorcycle show to promote chapter and sell bike raffle tickets. We ended up selling over 50 tickets and had a good time. Don't believe anything they say about me. I was a good boy and don't think there are any pictures.
