

Good evening all,

It's Sunday evening and Carlos and I are settling in from a long week. Hope everyone found time to relax.

Yesterday's Chapter social went well. Lot's of information followed by a "finger licking" hamburger/hot dog fundraiser. A special thank you to Frank's son-in-law, daughter and granddaughters for all their help in setting-up, cooking and serving.

Last Thursday, LOH met at Ruby Tuesday's for a planning session. LOH or not, you don't want to miss out! Lynda will be sending out the calendar but here's a tease peak at what's in store (I get my jollies this way):

Sunday early dinner ride to Castroville
Progressive dinner ride
Movie and ice cream
Friday night dinner/music/kareoke
Pool/pot luck party
Skating
Monthly Thursday night dinner rides
Monthly Night at Floore's Dance Hall
Overnight fun in Fredericksburg

For those of you planning on riding out to the Texas State HOG Rally, we just found out that the Howard Johnson Inn and Suites still has rooms for \$50.99/night. It's about 11 miles further than the hotel where Caliente has their room block but a difference of \$40/night is a considerable savings. Check them out at [409-832-0666](tel:409-832-0666).

This weekend your play schedule is:

4/9 - Hell & Back event - Gary will lead you to Kerrville for this event; KSU 8:00a

4/10 - Down Syndrome Poker Run - This is a good cause so please come out and show your support

Have a wonderful week!

Hot Lips signing out until next Sunday!
