

Good evening all,

This is probably the latest I've sent a Calientegram but it's a holiday weekend and I'm been out doing the Bar-B-Q thing. I had the most delicious BBQ ribs today! So good that as my favorite saying goes, "If my ribs were as good, I'd lick myself!" With that said, I hope everyone had something as tasty this weekend and if you haven't, there's still tomorrow.

Bike Nite was at Chunky's Burgers on Callaghan and as it turns out, this was the "hot" spot. Just ask Matt Riedesel. Matt accepted the challenge of the "Four Horseman" burger which included jalapenos, serrano peppers, habanero peppers and ghost chili. Why? Because if you could finish it and go without a drink for a period after eating it, it was FREE! Congrats Matt! You did it! And then you did it in the parking lot and probably later at home too :-)

The Three Sisters ride was a HUGH success! 15 bikes and 1 support vehicle went out. For all those who could not make it, there's talk of planning another ride in the fall. I would tell you more about the ride but Carlos was so focused on the road that he missed the scenery. But he loved it and he wants to go again!

Busy week . . .

Tuesday, 5/31 - Officer's Meeting, dealership, 6:30pm

Thursday, 6/2 - Chapter Social, 7:00p, **Fuddrucker's** on Loop 410 W just past Ingram Mall

Saturday, 6/4 - New Membership Orientation, dealership, 9:30am

Saturday, 6/4 - Chapter fundraiser, burgers and sausage on a stick, 11:00am - 5:00pm

For all who are going to Grapevine on July 1st and plan on riding the Steam Engine, bring your ticket money to the Chapter Social Thursday. Gary has to purchase the tickets in advance; \$25/ticket or \$23/senior ticket.

It's that time again but maybe I will be more effective if I'm more visual, so visualize me getting a pillow, putting it on the floor in front of you, getting on my knees, clutching my little hands together and saying . . . PLEASE, PLEASE, PLEASE . . . come out and sell raffle tickets this Saturday. First Saturday of the month is a big one at the dealership with music, food and Miller Lite so selling is easy. Plus, remember that you get entered into a drawing for big prizes for every book you sell. So come out and SELL, SELL, SELL! We only have three months left and plenty of raffle books to go through. Can someone help me up now! I'm getting too old for this!

I believe that's it for tonight. See you Thursday @ 7pm, Fuddrucker's.

Color me outie,
Hot Lips
