

Good evening all,

A BIG WELCOME to all our new members! Four members attended New Member Orientation and then with a joint effort from all who stayed for the fundraiser, we picked up 8 new members! Great teamwork! A special thanks to Goyo who came and sat in our New Member Orientation just to introduce himself and make them feel welcomed.

Our fundraiser was a big success as always! It's tough hanging out in the heat and cooking over a hot grill in the sun so a BIG thanks to all our volunteers!

Lots to cover tonight so here goes . . .

Good turn out for Thursday's chapter social. Some members came with family (which we always like to see) and everyone enjoyed the food and socializing. We have members that we ONLY see on our quarterly week night social due to work schedules so it's always nice to catch up. Frank discussed a possible change in time for summer socials. I'll keep you updated.

It's that time again . . . ROT! Anyone planning on going and does not want to ride up alone, please let me know. There's no official chapter ride but some members are leaving on Thursday and others on Friday morning. So all those wanting to join in, please email me. And those of you who came up to me after the meeting telling me times you are leaving to ROT, please email me those times because I'm AARP and don't remember much and what I do remember is something wrong.

Bike Raffle - I was thinking the other day (I know, a dangerous thing) and it occurred to me that if every member sold at least one book (one little book) we will have the bike cost covered and the rest is FUN \$\$\$ for all of us. So members, we're making this as easy as can be, if you cannot make the chapter social, please email me and Bob will be happy to mail you a book. Or at least buy a couple of tickets. . . I would love to have the problem of too many Harleys! Also, this Friday is Castroville's Friday Night Fever. Anyone wanting to go sell raffle tickets or just to have fun and be supportive, Frank and Wayne will be leaving the dealership at 6:00pm.

JUNE fun schedule:

Fri - Sunday: ROT

Fri - 6/10: Castroville Friday Night Fever, ksu @ 6pm

Yes, I know what you're thinking! Three "no ride" events and only two "riding" events but not to worry . . . (calvary horns in the back ground) . . . your hard working Road Captains are having a meeting tomorrow night to plan out the rest of the year's rides. So be ready because they have a lot of fun ideas (thanks to our members)!

Our Family Picnic will be July 15-17 at Pops on Medina Lake. Anyone interested in being on the planning committee, please contact Lynda Deyo (LOH).

Same goes for our Holiday Party on 12/17. Eva and Lavar are putting a planning committee together so please let them if you're interested.

That's it until next time.
