

Good evening all,

Well, another ROT has come and gone and many of us will go on to remember the great time we had. And those who attended and cannot remember had an even greater time!!! The 6th Street parade was incredible with miles of bikes. Hat's off to Austin for the great job in holding such a overwhelming event. We didn't attend the actual rally grounds but we did get a glimpse of what everyone experienced at the rally site when a toothless, topless lady was parading on Congress with, as Ana put it, boobs smaller than Greg's. Ahhhhh, the ROT. Gotta love it!

While in Austin, we took a ride out to Marble Falls to attend the Grand Opening of "Main Street BBQ Saloon". It was delicious BBQ and a great place! Our very own HOG member and part owner, Paul Elizondo, lead us out and treated us. It was so good that we will schedule a chapter ride out later this year. As if the BBQ wasn't filling enough, we topped it off the ice cream floats. Thank goodness it is on Main Street in the midst of all the shops so we had the opportunity to walk off the our meal before hopping back on our bikes for the return.

As I mentioned in last week's gram, our fearless road captains gathered to plan some exciting rides. Here's a few to put on your calendar:

Aug. 13 & 14 - Port Aransas  
September 3 & 4 - Big Bend  
October 8 - LBJ Museum  
October 22 - El Paso Iron Butt

They also came up with a great idea to get your favorite rides on the schedule. Once a month there will be a Member's Choice ride.

#### **A quick message from Julie:**

What's Member's Choice? Glad you asked! The Member's Choice ride is a new program the RC's are putting together to do some of the rides that our great chapter members have been on that we want to join in on too! Here's the basic information on the plan:

1. Each of our members will email in their ideas on rides and/or rides they've done that they would like to do.
2. They will email their ideas/rides/locations to [headroadcaptain@calientehog.com](mailto:headroadcaptain@calientehog.com) by the Wednesday prior to the Saturday Social and Sunday Prior to the Thursday Social. This doesn't mean they can't keep emailing ride ideas, we just need a deadline so the RCs can start making the ride route and plans. Members will submit the following information at a minimum:

Location of destination/stopping point/attraction/restaurant (address, specific name, etc. - Need to find it on Google Maps!)

Preferred route - if any

3. The Road Captains will select the most feasible ride to be done on the dedicated Member's Choice ride every month - rides will alternate between Saturday and Sunday every other month.
4. The member's selection will be announced at the Chapter Social

You've all had wonderful rides you want to share so start submitting your ideas!

As for this month, please plan to attend:
