

Hail and Well Met Caliente!

Couple of important Reminders:

1 - June 25 - Potluck Pool Party At Lavar and Eva Mathena's. 6:00 p.m. The address is 9623 Boonsboro Dr. 78245. Adams Hill subdivision off of 410 and Marbach

2 - The Road Captains have come up with a Members Choice Ride. One ride a month will be chosen from those submitted by a chapter member. You will not be required to plan or lead the ride. **We need your inputs for July by Weds, Jul 6.** Here is the message from the Head Road Captain, Julie "Muy Chingona" Hernandez:

1. Each of our members will email in their ideas on rides and/or rides they've done that they would like to do.
2. They will email their ideas/rides/locations to headroadcaptain@calientehog.com or director@calientehog.com by the Wednesday prior to the Saturday Social and Sunday Prior to the Thursday Social. This doesn't mean they can't keep emailing ride ideas, we just need a deadline so the RCs can start making the ride route and plans. Members will submit the following information at a minimum:
 - a. Location of destination/stopping point
 - b. Attraction/restaurant (address, specific name, etc. - Need to find it on Google Maps!)
 - c. Preferred route - if any
3. The Road Captains will select the most feasible ride to be done on the dedicated Member's Choice ride every month - rides will alternate between Saturday and Sunday every other month.
4. The member's selection will be announced at the Chapter Social

NEW INFORMATION

I have finalized the overnight trip to Corpus Christi for Aug 13-14. We have a block of rooms at the Hotel Corpus Christi Bayfront. It is located in the downtown area about two blocks from the water. It will be a good central location for trips to dealership, Big Fisherman or riding on Mustang Island/Port Aransas. To make reservations call the hotel at [\(361\) 882-8100](tel:3618828100) and tell them you are part of the Caliente Group. This will get you the \$59.00 rate for either a room with a king or two double beds. I already have my room reserved and am packing now so I don't miss out.

Til I see at an event,

Frank "Comeback" Deyo
Director
