

Good evening all,

!!! HAPPY 4TH OF JULY WEEKEND !!!

Hope everyone has had a good one so far! Tonight we begin with a special message from our fearless leader:

From your Director: Happy Fourth of July to all the Caliente Family. It seems sort of sad with all the fireworks being canceled. I can't remember this happening in my lifetime anywhere I have lived and that is a long time and many places. With that said, the kids in some of the small towns now only have the local parade to look forward to on this holiday. Please join me in making the day special for some of these children by riding in the Comfort parade on the 4th. The Chamber of Commerce has said we are at the head of the parade so we should get done quickly once the parade starts.

We will be meeting at the Park & Ride under I-10 and Loop 1604; **KSU @ 8:30am** We will then ride up to Comfort, TX to get in our position for the parade.

The parade will begin at 10:30 am and should be completely finished by 11:30 am but like I said earlier, we are at the front so it should be sooner. Fred or Paige plan on joining us in the parade with the classic car. So come on out and make a child smile. They all love the motorcycles.

Comeback

This past Friday a group of 8 bikes rode out to Grapevine, Texas. Carlos and I were unable to go so, like you, I'll have to wait for the pictures to come out on the website.

Million Mile Monday was a success! Thanks to everyone who participated.

This is going to be a busy week!

7/5 - Officer's meeting; 6:30pm, dealership training room

7/6 - Deadline for "Member's Choice" ride suggestions

7/8 - Castroville's Friday Night Fever; KSU 6:00pm (a fun way to sell raffle tickets)

7/9 - Road Captain's meeting; 8:30am

7/9 - New Member's Orientation; 9:30am

7/9 - Chapter Social; 10:30am

7/9 - Chapter Fundraiser: 11:30am

7/9 - Chapter ride; Medina Loop Route; KSU 12:00p (return about 2:00pm)

We have less than 2 months to sell raffle tickets so if you cannot come out to sell raffle tickets on Friday night, Saturday is a great day to sell them at the dealership.

That's it for me tonight. I've got to go practice my "Queen Elizabeth wave" for the parade tomorrow. Hope to see lots of you there.

Until next week.

Color me outie,

Hot Lips
