

Good evening all,

Only one thing should be on every one's calendar for next weekend . . .

the **5TH ANNUAL "HURL" CALIENTE FAMILY PICNIC**

Everyone is invited to come out to Pop's Place on Medina Lake Friday and camp out . . . great opportunity for our Caliente campers because it's FREE! The picnic starts Saturday 11:00am and goes on all day and evening. Pop's has informed us that they will have music on Saturday night so save some energy from the day's events for some dancing. Too tired for the drive home? . . . Everyone is invited to stay and camp out again on Saturday night. This is always a great time for member's and their families. LOH is planning on some good food, games, prizes and as always, great company!

Those of you who did not make the Chapter social this past Saturday, there were 3 Member's choice rides submitted. These rides were presented to the members and a voted was taken. Winning ride is going to the Heritage Museum on 7/30.

Gary presented the TX-U.S. Explorers riding program. Tex-U.S. is divided into 6 categories which are:

(1) Tex-U.S., (2) Attitude Adjustment, (3) Passport Run, (4) Solar Powered, (5) Culinary Delight, and finally, (6) Animated Trail.

Each section has a number of Texas locals (cities, towns, posts offices) listed which correspond with that section or theme. The idea is for you to ride to each location, take a picture of you and your bike in front of location sign and jot some interesting facts about that location down on paper. When you finish a section you get the initial patch and corresponding rocker for that section. This is really a great opportunity to pick your own time to ride, pick your own destination and to choose to go alone or with a friend. More details were on the pamphlet that was passed out so make sure to pick a pamphlet up at the next chapter event.

There's only one ride this weekend:

7/16 - Breakfast ride to the family picnic; KSU 10am

See you at the picnic!

Color me outie,

Hot Lips
