

Good evening all,

Another successful Caliente family picnic! Thanks to LOH for taking care of all the arrangements - food, games for everyone, prizes and more prizes! The kids had a great time, young and old! There was no water in the lake but plenty at the picnic site! No one was spared. Everyone was a target for the water guns and water balloons. The evening was topped off with a horseshoe tournament. Smiley and Carlos contended for the championship prize which was appropriately a Harley Davidson horseshoe game set. Of course, youth has a lot of smack but experience always leads to victory! Thanks to Carlos I have a really neat H-D horseshoe set. Don't cry Smiley . . . you can come play with your Tio anytime. When we left Eva, Dee and Frank were dancing to rap and the night was just getting started.

A special shout out to the brave who camped out Friday and Saturday - Frank/Lynda, Jon/Tiffany, Eva/Lamar/Emily and Dee/Lisa/Desiree. True campers!

This week there are two events to help you get away from it all:

7/22 - Meet n Eat at Cafe Milano, 7530 Bandera Road, 78238, near the Eckert intersection; 7:00p

7/24 - LOH ride out to Cora's Grill in Castroville; KSU 4:00p - LOH rides are open to everyone.

Ladies, Lynda would like all LOH riders to come out and ride this one. This will be an easy ride out Hwy 90 and a great way to relax on your Sunday afternoon.

Have a great week!

Color me outie!
