

Good evening all,

Well, we pulled off our first Members Choice Ride. It was a combination of the rides submitted by Gary Welch to Cooper's BBQ and Ventia York going to the Heritage Museum of the Texas Hill Country. We tried on Saturday as scheduled but the rain got us and we had to cancel. We all voted to try again on Sunday. Wow it was awesome!!! We had 15 Bikes, 2 cars and 24 people total. We learned a little about prehistoric Texas and the two types of dinosaurs that roamed around the area now called the Hill Country. The food was the best! I think I ate the BEST Rib eye Steak I have ever had. Of course Ana was her usual self so if you know what I mean then you know that her repentance this morning was all for naught. LOL.

August is upon us and everyone should know what that means . . .
