

Happy Mid-Week To All!

A few important items that deserve a calientegram all for themselves.

Bike Raffle is 8/27 but more fun than that is the **"Raffle Ticket Sellers Party" on 8/21**. Anyone who sells a book of tickets for the bike get a raffle ticket when the money and stubs are turned in. You get one every time you sell a book so there's no limit to how many raffle tickets you can get. Each raffle ticket is a chance toward prizes at the "Raffle Ticket Sellers Party".

Ask for the Caliente HOG group rate. They also gave us special rates for their renovated suites so if you want to upgrade, ask for our suite rates.

As I mentioned in Sunday's Calientegram our first "Member's Choice" ride was a big success! **If you have a great ride you want to share remember to turn in your suggestion by Friday to [headroadcaptain@calientehog.com](mailto:headroadcaptain@calientehog.com)**

All suggestions will be put to a vote at the chapter social Saturday and the members will vote on the next destination.

See you at the social Saturday @ 10:30am.
