

Greetings all,

For those of you that only read the first paragraph, the Chapter social is this Thursday, 9/1/11, 6:30p @ Fuddruckers on NW Loop 410 near the dealership.

Now, what we've all been waiting for . . . the bike raffle winners were . . .

Bike Winner - Michelle Acosta (ticket sold by Smiley)
2nd Place - Kathleen Hoffman
3rd Place - Richard Gonzalez

I gotta tell you, Michelle couldn't believe it when we called her. She thought we were kidding. She arrived at the dealership with her 3 children and went right to the ladies clothing section to buy a pretty top for the picture! (Can't get more female than that; we've got our priorities.) She really has her heart set on learning to ride because all her friends ride so she was planning to buy a bike next year. I guess this put her ahead of schedule! CONGRATULATIONS MICHELLE!

Thanks to all the members who showed up to volunteer yesterday! Great TEAMWORK!

The breakfast was a big success selling tacos to over 200 riders. Really profitable fundraiser so I see us doing it again. Thanks to Horst, I didn't have to come home and wash all the breakfast pans ... nice! The rest of the day was busy with selling tickets, and boy did we sell tickets! Frank, probably can't talk much today from yelling out to everyone who passed. And those who tried to sneak around us and go to the far right entrance got caught by Jim. We had it all covered. We promised so many people that their ticket was the "winning ticket" that I felt I had to hide after the raffle since not one of the 3 winners was in the crowd.

A special thanks from Bob to Venita for keeping him focused all day and helping keep track of all the tickets and money.

Pretty busy week:

9/3 - New Member Orientation; 9:30a @ dealership

Color me outie,

Hot Lips
