Ventia has secure a nice vacation rental house that accommodates 16 people. 3 bedrooms, 3 baths. The costs is approx \$325.00 a night so if we get 10 folks that want to go, then it is only \$32.50 a person per night. Please email Ventia if you are want to join us on this outing. We will be riding the Three Sisters and other loops farther out over the weekend. Venita can be reach at tx_born_pyrolady@yahoo.com.

It is time to start thinking about the 2012 Officer Positions

If you are interested in being the Director, then you will pick three other individuals to be assistant director, secretary, and treasurer. This allows the Director to build a comprehensive team that can and will work cohesively. Once you have your team, then you will send an email to Fred Bosshardt (fred@calienteharley.com), owner, Caliente Harley-Davidson. He will interview you and your team. After the interviews, he will choose the team to become the 2012 Primary Officers. Once the primary officers are chosen, then a solicitation for the discretionary officers will be put out. The goal is to complete this process by the end of November so the new incoming officers can work with the outgoing officers for the month of December.

If you are interested in the Director Position and need the email and phone numbers for people you want to contact for you team please contact Carlos Gutierrez at membership@calientehog.com and he will provide the information.

If you are interested in a discretionary officer position, as soon as the new primaries are chosen, you can email the chosen director with your desire to volunteer.

Officer position descriptions can be found in the HOG Chapter by-Laws on the member's only section of the Caliente website. You can also email the current officers and ask them what it is they have done and are expected to do.

Til next time. Ride safe - Have Fun
