

Good evening all,

Great weekend . . . great rain! Hope everyone enjoyed the weather! Everyone relaxing and staying indoors is about all that happened this weekend. The Three Sisters ride got cancelled due the rain and will be moved to 10/29 (replacing the Iron Butt ride).

As if we didn't get enough rest this weekend, we'll get more next weekend because there are no rides schedules.

So this is a record breaking shortest Calientegram EVER!
