

A week of rest, because you've got a full weekend ahead!

What a nice weekend weather wise. Hope everyone took advantage of it by riding even if we had nothing planned as a group.

What we did last week:

No group rides, but the road captains and trainees did complete their pre-rides for this weekend. (See below)

The LOH's fearless leader Eva orchestrated a gathering on Thursday with 14 members and guests in attendance. Pictures will be posted soon. Stay tuned for more LOH events each month and for LOH rides.

What's coming up this week:

Saturday, Jan 28th - Ride to Gillespie County Airport Diner, Fredericksburg.

KSU 9:00am. Safety briefing begins at 8:45am.

Lead RC - Frank "Comeback" Deyo; Sweep RC - Dee "Deester" Duarte.

Ride rating: Medium/Advanced (lots of rowdy turns and twisties noted on the pre-ride)

Sunday, Jan 29th - Ride to Clear Springs Restaurant, New Braunfels

KSU 1:00pm. Safety briefing begins at 12:45pm

Lead RC - Byron "Squirrel" Kelly, evaluated by Greg "Chach" Valdez; Sweep RC - Gary "Kick It" Sittler

Ride rating: Medium/Advanced (highway, faster speeds, gently curves on 1863 return)

Other news:

GOT GAS? Please remember to fill up before a chapter ride. Most ride plans have the first fuel stop at 35-50 miles and assume members have near full tanks upon departure.

Did you know we have a Facebook page? Those of us who use Facebook, search "Caliente HOG Chapter #2013" and "like" to see it.

For some of you, this will be your last Calientegram. I'm updating the mailing list to remove inactive members. So, if you haven't paid for 2012 and would like to, please contact Lynda "Fetch'em" Deyo or me.

Don't forget to drink your Ovaltine... and to check the website (<http://calientehog.com/index.htm>) for upcoming rides and events.
