

## **Eat to ride.**

We normally ride to eat but this time, we just ate. Ok, some of us rode. Read on.

### **What we did last week:**

An officer's meeting was held on Tuesday and our road captain meeting was held on Saturday morning. We welcomed Hector P. as our newest member of the Caliente HOG family. We had a nice social on a warm day with good food and prizes. We met Brian, the new service manager at Caliente. We celebrated the April birthdays. We took Hector on a quick new member's ride around Medina lake and the curves of 37. We signed up volunteers for our Memorial Day fundraiser. Thank you for all that put their names down. All in all, a nice day.

Thanks as always to our volunteers for making these socials such pleasant events.

### **Other news:**

We had a sign up sheet for the Memorial Day event at the social but we still need more. Think of this event like a day of obligation for the chapter. This is the primary way we'll fund the chapter's activities such as the picnic, holiday party, and the prizes you all enjoy winning. We're doing this instead of a bike raffles so when our activities officers call and ask if you can help, please say yes.
