3 June 2012

I hope you all have had a restful week and have recovered from our Memorial Day events. Again, thanks for all the participation. The participation point totals will be in June's newsletter.

What we did last week:

We conducted an officer's meeting and began work for the July 21st picnic. If you'd like to be on the planning committee, please reply to me.

We had an impromptu road captain training ride on Saturday to help our newest trainee Walter. We followed that with a new member ride as well. Two rides in a single day. Squirrel likes!

What's coming up this week:

Thursday, Jun 7th - Chapter social at **J. Anthony's Seafood Cafe** at 6:30 pm.

It's right next to the dealership. Here's a map: <http://goo.gl/maps/RjDG>

For those that may not know, J. Anthony's helped supply the beer on Memorial Day.

Other news:

Please welcome our newest member Kurt M who could no longer resist Lynda "Fetch em's" requests to join.

If you have a Sportster and are looking for parts, Smiley is selling some saddle bags that fit most any year and I am selling my windscreen that fits 2011 or later year models. If either of those interest you, please reply to me.

Some safety trivia: Did you know helmet riders are 3 times more likely to survive head injuries in a crash than those who don't wear one?
