

**A Picnic to Remember**

What would we do without our activities officers?

**What we did last week:**

If you didn't attend the chapter's picnic at Canyon Lake then you missed a whole lotta food and fun. There were games, prizes, epic water gun fights, more food than you could possibly eat in a single day, and a rumored swimsuit malfunction. None of that would have been possible without Diane, Leslie, and Elaine for making it all happen and all the other folks who toiled behind the scenes to make the picnic one to remember.

Oh and if you're wondering who won the big prizes, give some congrats to:  
Smiley & Leslie who won a set of chairs.  
Johnny and Elaine who won a set of chairs too.  
Mari who won a set of glasses and a bowl gift set.  
Peter who won a cooler.
