

**And now we have some fun**

A nice social, a whole mess of bikes and a chapter ride were on tap this week.

**What we did last week:**

Every quarter we have our social away from the dealership. This time we met at Cha-Cha's and a good time was had by all. Good food and good ambiance. It's like a family get together.

The 9/11 Memorial ride was held on Saturday. A total of 55 bikes showed up, 60 including our road captains, for the Liberator's run.

Finally, we had the chapter ride to Bill and Rosa's in D'Hanis. Look for the photos of all these events in the member's section of our website.

**What's coming up this week:**

**Saturday, Sep 15th through Sunday Sep 16th** - Demo Days (2013 bikes).

If you'd like to volunteer for this event, contact [activities@calientehog.com](mailto:activities@calientehog.com)

They need volunteers for raffle and 50/50 ticket sales as well as someone to man the paleta cart.

All road captains should be present to help lead the demo riders.

Don't forget about the Ms. Caliente contest there on Saturday so we expect a lot of folks.

**What's just around the corner:**

**Friday, Sep 21st through Monday Sep 24th** - Big Bend Ride

If you are planning on going, and have not yet contacted Frank "Soul Sucker" at [director@calientehog.com](mailto:director@calientehog.com), you must contact him by September 12th. After that, any remaining rooms will be released and you'll be on your own for lodging.

**Oct 11th through 14th** - Oklahoma State HOG Rally.

**Nov 10th**, Boerne Days for the LOH

**Dec 8th**, we're planning another progressive dinner ride. More details to follow as they develop. and of course...

Texas State HOG Rally 2013 - **May 16th - 18th**

**Other news:**

The next time you see Cindi K, congratulate her. She's got a new bike.

Please see the special update sent earlier. We really need your help.

I woke up this morning to 70 degrees and sunshine. I do believe our long awaited perfect riding weather is finally here. Let's take advantage of it as often as possible and help Cindi break in her new bike.
