

The 2013's for 2013

This weekend was all about the demo rides... well, Saturday was at least.

What we did last week:

The 2013 models arrived at the dealership for demo rides this weekend. There were a ton of people there Saturday and our chapter was there to help make it a success. A HUGE thanks goes out to our volunteers and our road captains for leading all the rides. A special thank you to Margaret A who worked the crowd and sold 70 raffle tickets! Alas, the all day rain (which we needed so I'm not complaining) cancelled Sunday's demo rides. Just as well. I was seriously contemplating that V-Rod.

What's coming up this week:

Friday, Sep 21st through Monday Sep 24th - Big Bend Ride

If you didn't contact Frank by last Wednesday, you're on your own for accommodations for this ride. If you are going and haven't contacted him yet, please do so as soon as possible at director@calientehog.com.

Other news:

Your squirrel will be at a film festival in Austin. I will do my best to get you the calientegram and any updates on the Big Bend ride. It might be a bit late though.

It was overcast for the demo rides and yet I'm suffering from a sun burn. Don't forget the sun screen, even if it doesn't look like you'll need it.
