

Riding Sideways to Corpus

It was a little windy today for the Corpus ride. Read on.

What we did last week:

Glen led 5 bikes and 10 folks to the USS Lexington in Corpus Christie. Apparently all the women abandoned their rides for the comfort of the tag along cage. Light weights. It was a heck of a head wind making it a heck of a ride but a really nice ride back. In addition, a thanks goes out to those that volunteered on Saturday so the LOH could have their day.

What's coming up this week:

Saturday, Nov 17th - Caliente Employee appreciation lunch from 10:00 am - 3:00 pm.

We still need volunteers to work and to cook either chili, cornbread or dessert.

Email activities@calientehog.com to volunteer for a shift. Shifts are 10-12, 11:30-1:30, and 1-3.

What's just around the corner:

Nov 24th - Chapter ride to Wimberly

Nov 28th - Caliente Performance Clinic

Dec 8th - Progressive Dinner.

Dec 15th - Chapter Christmas party

And of course...

Texas State HOG Rally 2013 - May 16th - 18th

In other news:

The Progressive Dinner on December 8th will include 3 homes - Appetizer, Main Dinner and third house is Dessert. We need you to RSVP NO LATER THAN November 25th at activities@calientehog.com. We know December is a busy time, so you if just want to show up for Dessert at Frank & Lynda's you can after 8 p.m. Their address is 6823 Country Lawn, San Antonio, TX 78240.
