

**Tonight we change to 2013's password**

Tonight, the password for the member's only website changes. This week, we update our membership roster for 2013. So if you didn't renew, well that just makes me sad because you won't get these calientegrams or be able to see our event pics and rides on the website. Hope is not lost. Reply or contact Lynda ([Membership](#)) and we'll get you back on our 2013 roster. For those that have already renewed, thank you. An e-mail will be sent later this week with the 2013 membership containing the new user ID and password. It's also on the back of your membership card. If you haven't picked your card up yet, please contact [membership@calientehog.com](mailto:membership@calientehog.com)

**In other news:**

Registration is still happening for the Texas State HOG Rally 2013. Here's the link: <http://txstatehogrally.com/>

Our chapter volunteered to lead rides to the Three Sisters and the Missions for the Texas State HOG Rally. You do not have to be a road captain to lead a ride. I'm coordinating the Three Sisters rides and need at least 1 more volunteer for either Friday or Saturday, or both days. We also need someone to coordinate the Mission rides and volunteers to lead them. Again, you do NOT have to be a road captain, just some experience riding in a group. If you're interested, reply to this e-mail and I'll share what I'm working on for the Three Sisters rides with you and get you started.

For safety reasons, we are no longer using the turn around at 410 and Culebra to get to 151. We're exclusively using Culebra to Callaghan from now on. Just thought you should know our safety guys are looking out for you.

Join me in welcoming Lynda as our newest Road Captain Trainee! Would you like to join her? Think about it. We can always use more folks.

**Respectfully,  
Your Squirrel**
