

So you like those curves huh?**What we did last week:**

A great ride on a beautiful day to Wimberly Sunday for 7 bikes, 2 trikes, and 13 riders. Everyone had a great time up and back with folks especially enjoying the curvy roads. Lots of shopping too. Another successful ride. Sorry I forgot to send out the ride reminder. I'll do better.

In other news, Frank K (the other Frank) won the song contest from last week's Calientegram. He likes "Mony Mony" by Billy Idol for his rides. The list of songs I received is at the end. Thanks for submitting them. I've already updated my playlist. There will be more of these little contests both inside the Calientegrams and within our Newsletters throughout the year. ;-)
