

New Members and Nom Noms**What we did last week:**

Thank you to those that could help out with Saturday's fundraiser while we took our new members out for a little ride around Medina and the mini-twisties of FM 37. The fajita's and sausage were delicious. Oh, I forgot to mention, we have a new road captain. Congratulations go out to Ed and we are looking forward to his rides.

In other news:

A few reminders in case you've forgotten about KSU, Gas, Events, and and what's that pink pig on the road captain's bike all about:

KSU stands for "Kick Stands Up". That is the time the ride is scheduled to leave. We do a pre-ride brief 10-15 minutes prior to KSU. What that means is... if a ride has a KSU of 8:30 am, you should be riding

into the dealership no later than 8:15 am.

When you arrive, you should have enough gas to make 50-60 miles. Our rides are based on first gas approximately that far from the dealership.

The event types are based on H.O.G. national and are:

- **Open Events** - Any chapter member, H.O.G. national member regardless of chapter, and their guests may attend.
- **Closed Event** - Any chapter member plus their guest may attend. Must have a least 1 more chapter member than guest in the group.
- **Members Events** - Only chapter members may attend.

Pink Pig? Yes, your Road Captains strive for safe and flawless rides. Sometimes, we make a mistake. Your safety is rarely at risk but sometimes we get a little excited and leave before everyone is ready, make a left when it was supposed to be a right, or forget to post the ride plan when due. For those moments, we are awarded the "Oops Pig". We place it proudly on our bike to remind ourselves and our fellow Road Captains that we are all human, mistakes happen, we should look out for each other to prevent them. It's also a great conversation starter. ;-)

**Respectfully,
Your Squirrel**
