

Tour Texas is done, good luck everyone.

What we did last week:

On Saturday, 15 bikes and 17 riders headed out to collect the 2 more stamps for their Tour Texas Passports. WOAI came along for the ride to film the ride and interview the Baby Boomers among us on why we love our Harley's so much. I wish I could say it was uneventful. I'm pretty sure our Oops Pig has a new bike to ride on. It was a long day to get 2 more stamps but each represents another chance at that grand prize so good luck everyone.

In other news:

If I hadn't said how much I appreciate riding with y'all, let me say it now. You are all disciplined, considerate and take care of each other when we ride. I never realized how important that actually is and I would like to thank each of you for that. It makes for enjoyable and safe rides. Thanks.

**Respectfully,
Your Squirrel**
