

What NOT to say on an LOH ride

What we did last week:

Our LOH had two events this week. One at Lori's house and the other a ride. Guys were allowed to go on the LOH ride but in hindsight, maybe that wasn't a good idea. For the record, if you lady is discussing getting a move-forward seat for the Trike, do NOT say, "If she want's a new seat, she can buy her own Trike." We may not hear from Dave for some time to come. Our hearts and well wishes go out to for his speedy recovery. Despite this tragedy, Lynda lead a great LOH ride with 10 riders and 3 more joining at Sammy's.

In other news:

Your squirrel is currently in Colorado and heading to Wisconsin. If I'm a little late on next week's Calientegram, you'll know why.

Glen is now your new safety officer so lets continue our great safety focus and safe riding and make his job easy.

Don't forget, ride plans are available on our website if you'd like to be familiar with the route prior to the ride. Speaking of rides, is anyone interested in doing an Iron Butt Ride (El Paso and back)? Reply if you are.

**Respectfully,
Your Squirrel**
