

**642 Miles, 3 Days, HOT!**

**What we did last week:**

There were 18 people on 11 bikes, and 1 cage, that enjoyed a 2-night adventure to Corpus Christi. Almost all of them also enjoyed a ride down to San Benito. Those that stayed behind were gracious enough to ice the drinks because it was HOT! Some interesting things from the trip are: No matter how expensive the GPS, it still can be stupid. There was a mysterious red trike that appeared in the parking lot but the owners were never seen. Missing person reports were filed. A past member, Catherine, joined the group. Adult beverages = lots of stories. We now know why Johnny is not allowed to lead a ride, unless you want to go to Laredo and end up in San Angelo. No road captain errors (or so the lie goes) so Lynda keeps the Ops Hog for now.

**What's coming up this week:**
