

The Usual... with a Twist

What we did last week:

We had our usual social and welcomed 3 new members to our little HOG family. We selected a new Ops Hog owner (Squirrel) and we selected a new Head Road Captain (Squirrel) but the other positions are still being selected. We had a small group go to Painting with a Twist which was definitely something different and fun. Finally, Ana took a group out to Bandera where only 1 person got lost from her group. Pig worthy event? I'm still investigating. Oh, and the dealer had their 7th anniversary and new Ms Caliente selected this weekend.

What's coming up this week:

Friday, November 15: LOH Event, Bunco at Eva's beginning at 6:00 pm. Contact Eva at assistantdirector@calientehog.com for directions and to RSVP. [Open Event]

Saturday, November 16: Progressive Dinner Ride: [**Closed Event**]

In other news:

Someone asked me, "T-CLOCK! What does that mean?"

T = Tires

C = Controls

L = Lights

O = Oil

C = Chassis

K = Kickstand

Are you checking them before every ride?

**Respectfully,
Your Squirrel**
