

Cancelled Ride = More Riders!

What we did last week:

We accidentally cancelled the Facebook Event for this Saturday's ride and somehow, 27 people on 18 bikes showed up to ride it. We should cancel them more often. Just kidding. If a ride is cancelled, you'll get not only a notice on Facebook but an e-mail with the subject line "RIDE CANCELLATION" from yours truly. Until you get that email, it's still on. Even if we had a little bit of rain on the way back; just enough to get the bike dirty. Thanks Ed and Lynda for leading us there and back.
