

Wine, Socials and Password Changes

What we did last week:

The LOH put together a very nice wine tasting event where 15 members learned all about wine and developed a nose for free stuff too. Warning, if you ride a lot, wine will start to taste like gasoline, or so says one of our members. Caliente held the first of many workshops, this Saturday's being an intro to Caliente HOG. The weather was perfect for our Chapter social Saturday. We welcomed several new members, who naturally won the prizes, and had a great time. Some of our members even went on an impromptu ride to Comfort. Also, if you're getting this for the first time, I updated the membership list. Don't forget the member side website password has changed if you find you can't log in. The password is on the back of your membership card.

In other news:

We are placing an order for name tags. If you didn't sign up for one at the Chapter Social, please contact Diane (membership@calientehog.com) to place your order. Name tags are \$10.

I have to stop saying "How stupid can you be?" Some drivers are taking it as a challenge. Please be safe when you're riding and consider wearing your helmet. Just don't let it get stuck on your head no matter how funny that might be.

**Respectfully,
Your Squirrel**
