

Congrats To Our Newest RC

What we did last week:

Congratulations go out to Pedro who led 18 bikes and 23 people on a very interesting round about ride to Spring Branch to complete his road captain training. We didn't eat at Max's as planned but ended up at the Antler Cafe instead. We also beat the rain that threatened but never really showed up.

In other news:

Safety Tid-Bit...

Never ride while impaired or distracted... it is not worth the risk of killing or injuring yourself or someone else. Plus, a DUI costs \$10,000 on average, and can lead to jail time, loss of your driver's license, and higher insurance rates.

**Respectfully,
Your Squirrel**
