In other news:

Just a reminder about open and closed events. Open events are open to anyone. Closed events are open to members and a guest. You can always invite a friend to ride on any of our chapter rides. All they need to do is sign a waiver (similar to the one you sign when you renew your membership) and they are covered. It would be nice if they road a Harley too but we're a friendly group, we won't hold it against them if they don't.

It is starting to get a little warmer out there. Don't forget sunscreen and to stay hydrated.

**Respectfully,
Your Squirrel**
