Employee Appreciate Lunch

Every year, Caliente HOG goes that extra mile for the staff at Caliente Harley Davidson to show our appreciation for all they do for us. this year is no exception. So, October 25th from 1030 to 130 we will be serving chili, cornbread and dessert to the staff. Sign ups started during the Social, but if you are interested in making that award winning chili, cornbread or dessert and sharing with the group, please contact Lynda at Activities@Calientehog.com and let her know what you plan to bring.

A NOTE FROM THE SAFETY OFFICER

When it comes to handling dog problems on a bike. the preferred method with the occasional dog adventure is to change speed so that the dog is confused. If it is trying to chase you on the bike, vary your speed so that the dog can't tell where you're going to be next. Then speed up so it can't catch you. In short order, the dog will probably give up. **If the dog is outrunning your bike, you need a tune-up!!!**

**Never ride faster than your guardian angel can fly. ~Author
