

Caliente Gram - 02 November 2014

THIS WEEKEND.....

Chapter Social and Fundraiser starting at 1030

Good times had by all. It was short, sweet and to the point. No social after as the Boot Campaign Ride was the following day with the 453rd Electric Warfare Squadron taking over those duties so the members could join the ride.

Boot Campaign ride with Sons of Anarchy

Another successful event. I would personally like to thank everyone that helped out with the event, from putting up cones, to leading the hordes to Floores Country Store. Everyone arrived safely with no incidents, and one of the road captains was able to stop and help out a fellow rider.
