

Caliente Gram 28 December 2014

As 2014 raps up, I reflect upon the past year with fondness and look forward to 2015. I can see from the ride list, that we will have an even better year for riding than we did this year. Can that be possible you ask?? Yes, it can!! After all, that is what we do. Ride! Wind in the face, black top underneath us, and all our troubles behind - at least for a couple hours.

So, with that said, please enjoy your New Year's celebrations this week and come back ready to spend a lot of time on those two wheels.
