

## Caliente Super Gram 1 February 2015

**Groundhog Day** is a day celebrated on February 2. According to folklore, if it is CLOUDY when a groundhog emerges from its burrow on this day, then spring will come early. If it is SUNNY, the groundhog will supposedly see its shadow and retreat back into its burrow, and the winter weather will persist for six more weeks.

The cost for the dinner would be \$21 / person, \$42 / couple. Alcoholic beverages available but at an additional cost. If you are interested, please RSVP to Bea ([beatrizgonzales@yahoo.com](mailto:beatrizgonzales@yahoo.com)) or call/text Bea directly at [210.426-9000](tel:210.426.9000) so we can get a head count. So far only 10 people have responded and we need 26 to reserve the room. We

need everyone that is interested to RSVP as soon as possible. Arrangements for a backup location are being worked on in case we do not make our minimum
