What a beautiful weekend this turned out to be? Don't you agree??

The ride to LBJ Park was awesome. What a group. 20 Bikes, 1 Cage, 30 people and a dog. It was a great picnic with wonderful friends and great weather. What more can you ask for?

RIP - Rider Improvement Program 3rd Installment.

Another iteration of RIP in the books last Thursday night. Nice weather but a tad windy. Placed out the cones and the group got a real (extreme) test of driving around the cones as the wind moved them here and there. To make matters even more interesting, we had actual moving cones at times so we were able to practice the "try to hit the moving cat" exercise. Cats should be scared...real scared.

My thanks to Jimmy, Rudy, and Pedro for coming out. Perhaps we will create a dead cat patch as we had three sharpshooters out there! Next time I will run this will be on 23 Apr as myself and the rest of the Primary Officers will be in Atlanta for Training on the 9th and bike night at Texas Pride is on the 16th. If somebody wants to step up and do it on the 9th, let me know and I will let you use my cones. We can do the handoff on the 4th at the Chapter Meeting. Everyone stay safe and I am looking forward to the 3 Sisters ride on the 25th. Regards to all. F2
