

Caliente Gram 19 April 2015

Weather sure played havoc with us this past couple weeks. But that is okay. We need the rain, and it will be warm and sunny soon enough.

LOH Photo Shoot Ride - Today

17 Bikes left Caliente with 23 showing up at The Mill in Gruene for the Photo Shoot. Total miles round trip were 143. Many bikes tapped out along the route back to the dealership to enjoy more riding on what turned out to be a very beautiful day.

Safety Tidbit

NIOSA and Fiesta are in full swing for the next couple weeks. If you plan on heading down town to enjoy the festivities, be sure to follow a couple safety tips:

1. If you are going to drink, have a safe and sober ride home and watch out for those that did not.
2. Be aware of your surroundings. There are people out there that are not so nice.
3. Most important - HAVE FUN!!!

Unless you are the VERY LAST RIDER.....Don't Spit. Ron McKinley - Atlanta
