Excellent News from the Director

Caliente HOG now has a blast texting service. This will allow us to get out reminders and ride cancellations in a more timely manner. To participate / subscribe to this service, send a text message to 84483 with message **Calihog**. You should receive a welcome message. We did remember something from our HOT training.

Important Information about the Texas Rally from the Assistant Director

Hey everyone,

The State Rally is in a couple of weeks. As a Chapter, we normally set up a group ride to go up on Thursday morning and another to go up on Friday morning. In order to set this up, I need to get a handle on who what to leave on what day. I ask that you contact me -

asstdirector@calientehog.com - and let me know which day you plan on going up. We will also run some signup sheets at the next Chapter Meeting (May 2) to catch those who are still working the time off issues. Plan on being on the road for the better part of the day (6hrs-ish) depending on road conditions and the like. Even if you cannot ride up with the group, hopefully I will have enough feedback as to where I can link you up with someone else so you can ride up together. Shoot me a note folks. Thanks!

Road Warrior Program

Hey gang, the Road Warrior Program is humming along. Remember, print off your form and find either Frank Deyo, Frank Knapp, Merry Carrazana, Beverly Schippmann or Greg Valdez and have them sign off on your form (i.e. one of the 4 Primary Chapter Officers or the Head Road Captain). Your mileage starts at that point. They will then take control of the form and forward it to Frank Knapp and he will provide you a copy asap. Good Luck. We also had 3 brave folks come out for RIP last Thursday. NO one dropped their bikes, the sky didn't fall, and everyone agreed they were more attuned to their bike and maneuvering it in tight turns. There is peace and tranquility in the universe...until the next massive thunderstorm. See everyone on the road. F2
