Progressive Dinner - 30 May 2015

A big hearty YA'HOO to another successful Progressive Dinner. A big Texas size THANKS to Glen and Cindy, Rosario and Mike, Sharon and Sergio for hosting the rowdy bunch and to Eva for putting it all together. I hear there might be another one in the fall?

Rider Improvement Program

Next RIP will be held 11 June 2015 at 700pm - weather permitting. It will be at the old K-Mart parking lot between Marbach and Rt 90 adjacent to the southbound lanes (outside) of I-410 Remember, this is the perfect time to hone those riding skills. You just never know when they will coming in handy. Better prepared than sorry!

Safety and other Tidbits

Just a couple reminders to keep us all safe. With all this rain, there is A LOT of gravel and other debris on the roads from all the flooding. Take it slow and keep an ever vigilante eye open for the unexpected.

Remember your T-C-L-O-C-S

Tires - Check the pressure of your tires every time. Staying cooped up so long and the fluxuation of weather plays havoc on your tires.

Controls - Check your levers, pedals, cables and hoses to make sure they are all still lubricated and adjusted properly.

Lights - Check your battery to make sure all is well, and inspect your lenses for debris, cracks, and are securely mounted. Test your tail lights to ensure they are working

Oil and other fluids - Check your levels and quality of fluids and ensure nothing is leaking

Stands - Make sure your kick stands are not cracked or bent.
