## Caliente Gram 28 June 2015

### Ride to South Side BBQ and Market - Elgin, TX

Mother Threatened but we would not be denied a ride. 10 Bikes and 12 people showed to ride. After carefully checking the radar on our smart phones, it appeared Mother Nature was raining on our desired destination. Greg, the lead road captain decided we should change plans. So we headed off to the south to Floresville and the Maverick Grill. We had a great ride, some good grub and a wonderful time among friends. I later received a call from Robert H. who had the wrong KSU and tried to catch us in Elgin. To his surprise we were not there but he enjoyed some great food and a nice ride with not even a drop of rain. I think I am trading in my "smart" phone for a dumb one. Might be more accurate. Soul-Sucker

### LOH Paint and Sip Event.

The event was a super time. We all had our creative juices flowing and came away with some great works of art...

### Chapter Picnic

The picnic is quickly approaching and we need to know how many people will be going. Please RSVP to Diane at [membership@calientehog.com](mailto:membership@calientehog.com) the number of people in our party. Spouses, kids, dates welcome!! If you have kids coming, we need their names and ages (better to plan the kids games with). Canyon Lake is still 100% full I believe so we should have an awesome time with the lake almost up to the Pavilion. The main meal will be Pulled Pork and we ask that you bring a side dish, snack or dessert to share. The Chapter will provide the meat, soda and water (bring your own adult beverage). Game prizes, member door prizes and grand prizes are also provided by the Chapter. If you would like to help with a game or have an idea for a game, let Diane know as well. Please RSVP by our next Social which is 11 July 2015.

### Movie Night - Friday 3 July 730pm

Some of the gals are getting together at the Alamo Draft House movie theater (Park North) to watch Magic Mike XXL. Admission is \$10.00. Contact Lynda @ [ldayo@satx.rr.com](mailto:ldayo@satx.rr.com) or text her at [\(210\) 326-9736](tel:2103269736) if you are interest in joining them. She will buy the tickets in advance. Please let her know if you want a ticket by this Tuesday evening.

### Safety

As you have probably noticed, it is very hot outside. DAAH!! It does not take any time at all to get over heated or dehydrated in this kind of weather. Be sure you have plenty of water, loose fitting clothing, a hat or head covering, take breaks often and preferably in the shade, and don't forget the sunscreen. If you are able, carry extra water, a cooler with ice, or some kind of cooling neck

scarf. I have found it helpful to wet a du-rag prior to putting the helmet on, and repeat often. Stay cool!!
