## **NEWS FROM THE GRAND POOPAA.....**

### **FUNDRAISER FOR RAUL RUBIO - COMING THIS WEEKEND**

Renegade Classics, 6850 Bandera Rd. We will start cooking at 7am and will require help starting about 930am to build plates.

We have signed out/sold 280 plate tickets. If you still have tickets to sell let me know and we can get them redistributed if needed. We will have about 60 Raffle tickets for the rifle left. We are planning on having about 50 extra plates to sell for folks who drive up or stop by while we are out there. Will need to secure a little more chicken, HEB has chicken quarters on sale for \$3.90 for a 10lb bag. All you need to do is tell them you are with the Caliente HOG.

Several folks have said they would do bean or potato salad. Please send me an email ( [director@calientehog.com](mailto:director@calientehog.com) ) and let me know what you are bringing and how much. I need to ensure we have enough to cover the 330 plates.

Thank you all for your outstanding support for this event so far!!

## **SOMETHING FROM #2**

Hey there two and three wheeled gang, I'd like your input to the following Joke/Prompt.... Jeff Foxworthy has a skit that goes where he states something funny and finishes it with "You might be a Redneck.." I would like to do a take off on this for the next meeting. For example, once could state: If you fall back 20 or more car lengths behind the bike ahead of you, YOU might be a Honda Rider... If you slow down coming to an intersection (holding up everyone behind you) that has a green light thinking that it will eventually cycle to red, YOU might be a Honda Rider... Use your imagination and give me your inputs. Send it to [asstdirector@calientehog.com](mailto:asstdirector@calientehog.com)

On another topic, we have been booted from the Old K-Mart parking lot for the RIP. I will look for another place to go. Look for the midweek Caliente Gram update for where we will go this Thursday for RIP.

Keep it on the road! F2
