

CALIENTE HOG #2013

Caliente Gram 21 September 2015

We had a great safe ride on Saturday 17 bikes and 3 riders of which 2 of the riders were first time with the group, Hope they join us again. Lunch was @ the Nutty Brown Cafe very delish. Ride left at 8:05 am and returned 4pm to Caliente. To our surprise there were tattoo artists working and one of our members got their very first ink. See if you can spot it at the next social!

Sep 26-27 - Demo Days at Caliente HD

This is your chance to test out the 2016 Harley's. Saturday 10:00 am -5:00 pm and Sunday 11:00 am - 4:00 pm. The Chapter will be running the demo route and we have need to those that have experience riding and would be willing to help lead small groups in the short route. Contact Frank Deyo - Director@calientehog.com or Frank Knapp Asstdirector@calientehog.com if you are interested.

We will also have need of those NOT riding to help with the Fund Raiser that day. There will be a lot of people at the dealership and this is a good time to raise some serious CA\$H for the Chapter. If you are interested in volunteering for the fundraiser, contact Eva at Activities@calientehog.com

Oct 03 - Caliente Breast Cancer Ride KSU 1200 Registration starting at 1000

This ride is sponsored by the dealership, but we have been tasked to lead the ride and help out with registration as well as support the fund raiser. It will be CRAZY that day and we need all that can put in a little time that morning. You will already be there for the Social, so why not stay a little longer and Support the Breast Cancer Ride by:

1. Riding... 2. Registration... 3. Fundraiser.

Something for everyone - young and old.

Rumor has it that "Francesca" might join "Francine" this year.

Oct 17 - Employee Appreciate Chili & Corn Bread Lunch for Caliente Employees

Every year, we take a moment to show our appreciation to all the Caliente Harley Davidson Employees by have a Chili and Corn Bread feast. Contact Frank Deyo- Director@calientehog.com with what you would like to bring so we aren't lopsided one way or the other. We can also use some desserts.....
