

CALIENTE HOG #2013

Caliente Gram 11 October 2015

Chapter ride to Lost Pines

Great ride out to Bastrop with 11 bikes and 15 total riders and passengers. After stuffing our pie holes with some great burgers and the like fare, we entered into the State Park. You can tell the park is coming back from the fires that ravaged the area not too many years back. Actually kind of neat seeing nature reclaiming the land with small trees and other plant life. Local Weather was good if not a tad warm but not like the three digit riding we did not more than a month ago. The fall is looking good. Hope to see everyone this Thursday evening at Bike Nite at Caliente.
