History Of Veterans Day

World War I - known at the time as "The Great War" - officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of "the war to end all wars." For more information on the History of Veteran Day, check out this site:

---- Thank you to all our Veterans serving past and present. Your service will forever be remembered and appreciated by this Great Nation. May God Bless You All ----

STUFF FOR THIS WEEK....

Nov 9 - Officer Meeting at Caliente HD Training Room 630PM

Nov 12 - November Social. Normally we would have this month's social at the dealership. BUT since the Lone Star Rally was this weekend, we have decided to hold this month's Social at Fuddruckers on the 410 frontage road. Social starts at 630pm, but come early to eat, laugh and be merry. Be sure to check out their delicious menu at <http://www.fuddruckers.com/menu/> and if you are so inclined, be sure to **LIKE** them on Facebook as well.

FROM OUR SECOND IN COMMAND - F2

For those of you who went to the Lone Star Rally, you all have a fine layer of salt all over your scoots. You may not actually see it but it is there. Highly suggest you do a decent wash of your bike using a lot of fresh water. Same same for those who drove cages. See you all later in the week. F2
