Caliente Gram March 13, 2016

### Chapter Ride Wimberly, TX –

Well lets see if we believe in omens... being the 13th day of the month, we initially had 13 bikes, we went 130 mph, into 13 knot head winds, got lost 13 times, had..... ok, maybe not quite. It was the 13th and we did initially have 13 bikes (that grew to 15). Dave and Gale kept us on the straight and narrow. Add 4 passengers and we had a decent little group. Weather was awesome and Wimberley was ours for the taking. Brought up the idea of returning to Wimberley again but this time going to the flea market on the north side of town and staying like an afternoon. A lot of positive head nodding so this may indeed happen soon. Would look to do some shopping and having someone bring a truck so as to be able to haul back the booty. Perhaps doing a supper on the way back vice a lunch... Anyway, something different perhaps for a **Saturday** ride. MTF as we think this through. Can't speak for the others but the woulda/coulda/shoulda trio came into effect here as I didn't use sunscreen and I now have raccoon eyes... Yep, it is definitely getting to be that time to start using sun screen again. Anyway, we each put on about 170 ish miles going from Caliente back to Caliente. Another ride coming up soon. Look for it, plan for it, create room in your sked for it, and get out there and ride. On another note, I would like to get some numbers of who is planning on attending the State Rally. Shoot me a note at [Calientedirector@gmail.com](mailto:Calientedirector@gmail.com). Thanks and stay safe!
