Demo Rides – Mar 19 - 20

Another stellar Caliente H.O.G. member effort....mucho kudos to all who showed up to help. To those who worked both days, above and beyond - wow! Over both days we had over 30 Chapter members show up to help. Your efforts put out 14 rides out on Saturday and 8 rides on Sunday. We had 159 total riders (some riding more than once) over both days. Comments from those who rode were extremely positive and they thought the Demo Days experience was top notch. There were a number of folks veeerrrrrrryyyy motivated to go purchase another motorcycle after riding a demo and our hand-carrying these folks into the hands of the salesman I think will directly result in several sales for the dealership. Chris and 'krew' ran some great in-store promotions which got folks excited, the music was great and the weather for the most part was pretty cooperative. All in all, a pretty good weekend!

Next weekend (Saturday) we have a Road Captain meeting followed by Chapter Ride. Long range weather has next weekend as pretty hooah! Hope to see a lot of you out there. It is also the Caliente Easter Egg Hunt that a lot of local children come to. For those of you who can't get away for a long day of riding but can spare a couple of hours, I'd ask that you drop by the dealership and perhaps see if Chris needs a hand. Remember the saying about herding cats....? Think of all those kids eating chocolate getting a sugar rush and running rampant everywhere... He might need some help to lasso and "hog" tie the kids...

Another great week and all because of the quality of the members of our Chapter. Stay safe and keep it up on two AND three wheels!
