Apr. 8– Willow City Loop Ride

WOW!! What a day! What a ride! What a Group!

18 Bikes, 1 Trike and 29 Bikers. Thank you to the complete Road Captain Team on this one. Especially yours truly “Pistol Pete” as LRC and “Super Dave” as SRC adding a shout out to “Roach” for his mechanical abilities to get one of our Riders bike back on the road after breakdown to complete the ride and safely make it back to Caliente H-D.

Willow City proved to be a place of great bluebonnet scenery today. Yes, slow, curvy and somewhat bumpy of a road but if you’ve never ridden this route, you’re missing a great thing. Thank you to Andy’s in Fredericksburg and their Staff for accommodating us with a late but great lunch.

I personally want to thank all of you that came out to enjoy and support this great ride. Your Chapter Road Captain Team spends a lot of time in putting together and coordinating these rides for your pleasure. It’s an awesome feeling as an RC to see such a large group as in today’s ride.

It’s all about.... “LET’S RIDE”!!!!

‘Pistol Pete’

I want to thank my fellow chapter riders for showing patience today as I had trouble with the bike. Thanks for waiting on me and thanks to Roach and the guys for using their skills to take care of the chapter team. It was an awesome ride though a cold start, it ended with great weather. Thanks again.
